ABOUT ME

I am a student of the Faculty of Electronics, studying Cybersecurity and Communication Technologies. I have experience in event organization, teamwork, and community representation. I strive to strengthen student engagement and promote transparent activities within the Student Representation.

EDUCATION

Cybersecurity and
Communication Technologies
Faculty of Electronics,
VILNIUS TECH.

EXPERIENCE

VOLUNTEERING AT THE SONG FESTIVAL

I contributed to the organization of a national-scale event. I worked in a team, resolved operational issues, and communicated with participants. I developed skills in responsibility, quick reaction, and communication.

EXTRACURRICULAR ACTIVITIES AT SCHOOL

I actively participated in extracurricular activities and school community initiatives. I hosted events, wrote scripts, coordinated their execution, and supervised guests from other schools. I represented community interests and communicated with diverse audiences.

SKILLS

Leadership and responsibility,
public speaking, event
organization, teamwork,
communication, problem-solving,
time management.
